Drummond Company to Host Investor Conference Call on First Quarter 2009 Financial Results

BIRMINGHAM, Ala.--(BUSINESS WIRE)--Drummond Company, Inc. announced that it will host an investor conference call to discuss first quarter 2009 financial results on Thursday, May 14, 2009 at 10:00 am Eastern Time. Access to the call is restricted to holders of Drummond Company's 7.375% Senior Notes due 2016, qualified prospective investors in the Notes and securities analysts. Details on how to access the call as well as financial statements have been posted on Drummond's secure investor web site, which can be accessed by certified users via the "Bond Investors" page of Drummond's public web site at <http://www.drummondco.com/about/Investors.aspx>.

If you are a holder, qualified prospective investor or securities analyst who would like to access our secure web site but have not yet been certified by Drummond, please see the "Bond Investors" page of our public web site at the URL above for information on how to be certified.
