

## ORGANIZATIONAL ANNOUNCEMENT

---

May 14, 2009

Drummond Company, Inc. is pleased to welcome Segal Edward Drummond, Jr. (Ed Drummond) as Vice President and Executive Assistant to the Chief Executive Officer. Ed will be reporting directly to the Chairman & Chief Executive Officer, Garry Drummond.

For the past twenty years Ed has been engaged successfully as an entrepreneur in both residential and commercial real estate development in Tennessee, Alabama, Georgia and South Carolina. Prior to that period, Ed was employed at Oak Ridge National Laboratory as a geochemist where he coordinated efforts in Basic Energy Sciences for the Laboratory, served as Group Leader in the Chemistry Division and was widely published in leading scientific journals. Ed holds a Bachelors of Science degree and a Masters of Science degree in Geology from the University of Alabama and a Doctorate in Geochemistry and Mineralogy from Pennsylvania State University.
